

Clean Up Your Messy House Pledge

Today, I, _____,
commit to my home, my family and myself that I will live
my best life.

To do this, for the next six months I will become an
active member of Oprah's Clean Up Your Messy House
Tour. I will work with my family to create a vision for the
life and the home that we want. With enthusiasm and
focus, I will declutter my home, room by room, using
the tools, techniques and schedule provided by Peter
Walsh and Oprah.com. I commit to focusing on the
quality of my life and my relationships, not the quantity
of stuff I own.

From this day forward, I commit to myself, my home
and my family to a clutter-free and organized life.

The vision for my life and home is: _____
